Legal Staff
International Division

Sir:

Filed together with this paper is Applicants response to a "Missing Requirements" notification ostensibly mailed October 20, 2005, together with the required Petition for a three month extension of time.

Applicants herewith petition for either (1) a reissuance of the "Missing Requirements" notice and an attendant restart of the response due date; and/or (2) a refund of the three month extension fee paid today in connection with the Response to the original "Missing Requirements" notice dated October 20, 2005. The reasons for this request follow.

Applicants' attorneys never received a copy of the original "Missing Requirements" notice dated October 20, 2005. Applicants have only incidentally found the notice by reviewing the PTO's PAIR site with respect to a number of applications in which the PTO's response had been expected for some time. Accordingly, Applicants have not been put on notice of the issuance of the "Missing Requirements" notice in the manner provided for by rule.

In order to substantiate the above, Applicants submit herewith a copy of Sughrue's "PTO Mail Log" spanning dates from October 20, 2005 through October 27, 2005. Inasmuch as 95%

Q87983

of PTO mail is received by Sughrue by the next business day, the fact that the Notification was not received within a week of the PTO's mailing date is considered as near-conclusive evidence that the original PTO notice went astray in the mail and was never in fact received by Sughrue.

In view of the above evidence that the Notification of October 20, 2005 was never in fact received by the Sughrue office, the normal remedy would be to request a re-mailing of the Notification and an attendant resetting of the response due date. However, inasmuch as Applicants did in fact find the Notification on the PTO's website and have responded on today's date, a re-mailing of the Notification seems unnecessarily redundant. Accordingly, in the alternative, Applicants request that the concurrent submission of the required Declaration and late fee be accepted as timely, and that the associated extension fee be refunded to Deposit Account No. 19-4880.

If, for any reason, Applicants' refund request cannot be granted and the PTO's remedy will be to re-mail the original "Missing Requirements" notification, in such event Applicants request refund of the extension fee submitted with today's response to said notification, on the ground that this fee was not required.

It is not believed that any fee for the present Petition is required. If the PTO finds to the contrary, kindly charge the fee for this Petition to Deposit Account No. 19-4880. In this event, Applicants herewith request a refund of the Petition fee in as much as the error being corrected by this Petition was not made by Applicants, but was rather made by either the PTO or the Postal Service.

Prompt and favorable action on this Petition is respectfully requested.

Respectfully submitted,

/Richard Turner/
